Compliance Certificate

Dear Dorottya!

This is to certify that all products being sold under the brand “**KOBRA Hygiene System**” are produced according to the **EU Council Directive 93/43/EEC dd. 14th June 1993 on the hygiene of foodstuff.**

The following standards are fully applicable to all products in our hygiene system range:

1. EU Council Directive 97/48/EC on testing of food contact plastics for chemical migration.
2. EU Council Directives 1935/2004, 80/590/EEC and 89/109/EEC relating to plastic materials and articles intended to come into contact with foodstuff.
3. US Federal Drug Administration (F.D.A.) list of chemicals suitable for use in food industry applications, reference 21 CFR

Components:

Polypropylene brush-blocks, shovels, scrapers, scoops etc. are made from resin grade 402-CB12 (manufacturer INEOS, formerly Innovene/BP)

Filaments: Polyester PBT (Polybutylenterephthalat) or Polypropylene

Stainless steel parts (spatulas, scrapers etc.) are made from martensitic high alloy steel DIN 1.4034 – X46Cr13.

Handles: Are either manufactured from fibreglass or anodised aluminium. Handgrips and threads are also made from Polypropylene.

Sincerely yours

ppa Johannes Herzog
